Special Inspector – (7-30-18)

GeoTest Services, Inc. provides high level geotechnical engineering, environmental, special inspection, construction materials testing, and building science services. Exceeding 25 years in business, our team is known as an industry leader in the Pacific Northwest. The firm is seeking an ICC/WABO certified special inspector.

The successful candidate will have excellent verbal and written communication skills and thrive in a “hands on” environment with limited supervision. We seek an enthusiastic individual who is excited about our industry and seeks growth opportunities. 40 hrs/week with OT as necessary. Salary D.O.E. All inquiries are confidential.

Specific Duties to Include:

- Perform special inspections for a multitude of projects including residential, commercial, industrial, and infrastructure developments
- Daily reporting
- Reading construction documents including plans, specifications, and RFI's

Required Qualifications:

- High school degree
- Able to meet the physical requirements outlined below
- Certification through ICC/WABO in one category at a minimum (Reinforced Concrete, Structural Masonry, Proprietary Anchors, Lateral Wood, Structural Steel)
- ACI Concrete Field Testing Technician - Grade 1 is a plus
- Ability to take direction; work well with others and independently
- Nuclear gauge training is a plus
- Excellent driving record and valid driver's license

Physical Requirements:

- Ability to lift 50-70 lbs from a standing, crouched or kneeling position, repeatedly.
- Ability to carry 50-70 lbs in the form of sample bags, buckets, equipment, cylinders, wheelbarrows, etc.
- Ability to stand on a hard surface for 8 or more hours per day.
- Ability to sit or drive for 2-4 hours per day.
- Ability to periodically lift equipment, buckets, tools on uneven terrain.
- Ability to periodically walk and carry sample bags/buckets, tools on construction sites, gravel pits, open fields and/or uneven terrain.
